### Parts

# ADD-A<sup>BROILER</sup> GRIDDLE

## BROILER OPTION

Specifications: Add-A-Broiler is designed to accommodate standard open burners of most gas commercial ranges. No range modification is necessary.

Construction: The grid is constructed of 1/4" steel rod. Convenient handles allow easy removal. The base, made of 10-gauge steel, incorporates a heat sink made of 2" wide steel channels. These channels also act as a grease grain emptying into the grease cup; a unique feature of the Add-A-Broiler. The grease cup is made of 18-gauge stainless steel and is easily removable. All seams are welded.

## GRIDDLE OPTION

Specifications: Add-A-Griddle is designed to accommodate standard open burners of most gas commercial ranges. No range modification is necessary.

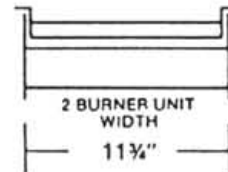

Construction: The grid is made of nickel-plated 10-gauge steel with built-in handles for easy removal. The base, also made of 10-gauge steel, is designed to incorporate a rear flue for heat escape while cooking. The grease cup is made of 18-gauge stainless steel and is easily removable. All seams are welded.

## IN GENERAL

**ADD-A<sup>BROILER</sup> GRIDDLE** is the space-saving way to convert existing range tops into broilers and griddles. Installation is accomplished in minutes. The broiler option adds charbroiled flavor to steaks, chops and burners and brand meats time after time. The griddle option permits griddle cooking with quick preheat time and efficient heat removal through the rear flue. With **ADD-A<sup>BROILER</sup> GRIDDLE** there is no need to spend extra equipment dollars for separate broiler and griddle conversion units. **ADD-A<sup>BROILER</sup> GRIDDLE** is the double-duty broiler and griddle converter.

### DIMENSIONS

2 BURNER UNIT	11 $\frac{1}{2}$ "W x 5H x 24L
4 BURNER UNIT	23 $\frac{1}{2}$ "W x 5H x 24L

## WARRANTY

Manufacturer offers to the original purchaser a 90-day replacement warranty on units defective due to manufacturing or material defects. This warranty is in lieu of all other warranties expressed, implied or statutory, including without limitation warranties of merchantability or fitness for a particular purpose. The manufacturer neither assumes nor authorizes any other person, partnership or corporation to assume for the manufacturer any other liability.
